Words of Wisdom

Grace through Faith is Not Enough

Being a born-again Christian is not a ticket to post-life mansions in Heaven. We must live the teachings of Jesus Christ. We are all members of the Church of God. We are all jointly responsible for everyone on the planet.

God made men and women perfect in His image and gave them free will, and they made choices that affected their karma. Let's all use our energy in this way.

We are All Born Equal in the Eyes of God

Jesus recognized the power of women in His ministry and used them to help organize healing. We believe in the power of women to lead the Church to truth, equality, and mutual respect. God made us all equal from the beginning.

Gifts of the Holy Spirit

The gifts of the Holy Spirit include: words of wisdom, knowledge, faith, prophecy, healing, working of miracles, discerning of spirits, and speaking in unlearned foreign languages and interpreting same.

The mission of a Charismatic church is to continue exactly what Jesus did for His apostles and 92 ordinary people at Pentecost. He anointed their heads with Holy Oil, baptizing them in the name of the Holy Spirit. He told them to go out and heal people and drive demons out of people. Through His healing ministry, Jesus continued this practice. This gift has been handed down to us over the ages.

We All Go to Heaven (Eventually)

We all absolutely go to Heaven once we clean up our karma. When we die, we go before God and are shown a movie of our life. We are told to judge ourselves based on our actions in it. Thumbs up if those actions helped you or others; thumbs down if they hurt you or others or did not offer help when they had the ability to do so. Then, we reincarnate with those that we hurt so we can learn how to make amends. We see a scheduling angel and arrange, through reincarnation, to reappear in the lives of those afflicted. In other words, we have to reincarnate with them and are scheduled to meet them again in a future life to resolve any negative karma.

Life After Death

We believe in life after death and the immortality of the soul. We believe that Reincarnation leads to Resurrection and the return to wholeness with God.
